**greg lake’s i believe in father christmas!** - belief in santa it is often said that parents  
should never lie to children. however in many countries a big exception to this rule is in regards to  
santa claus - or father christmas as he is also known. indeed, many parents go to great lengths to  
get their children to believe in the jolly, slightly obese man with a white beard, dressed in a red suit,  
often sidestepping children’s questions ...

**god and the ethics of belief: new essays in philosophy of ...** - is obviously irrational (for an adult)  
to believe in santa claus (or the great pumpkin or some other particular creature of childish fable);  
and when we think about the irrationality of such a belief, we see that it is due entirely to the fact that  
there is no evidence for the existence of santa claus (or the great pumpkin et al.). here is a version of  
the argument that features santa claus ...

**alyssa robbins piaget meets santa claus 2.** - piaget meets santa claus 1. the general  
characteristics of the sensorimotor stage child are when infants establish that they are their own  
entity, separate from the world and that even when out of sight, other objects, even if out of the  
infant’s own control, do in fact still exist. this is when the child begins to coordinate senses

and motor skills as well as learning cause and effect. 2 ...
